

Q1 Please provide comments on the Passive Play design (Park Concept #1). e.g. likes, dislikes, positives, negatives, ideas, needs being met, missing elements.

Answered: 101 Skipped: 89

#	RESPONSES	DATE
1	There needs to be a basketball court and some other activity other than tennis and pickle ball.	8/31/2022 9:21 PM
2	I think this concept will get used heavily during soccer season. The other features will get lighter use, so I feel that this concept doesn't attract the widest user groups. The picnic tables clustered in the lower left corner are a waste.They will only be used by teenagers and young adults looking for a secluded place to party at night.	8/31/2022 11:19 AM
3	Love the playground and splash pad, much needed covered areas.	8/30/2022 9:54 PM
4	Like but missing basketball area	8/30/2022 6:37 PM
5	a walking loop/path within the open space/nature network would be a nice addition . Too many tennis courts and not enough of other type of sports courts i.e pickleball, futsal	8/30/2022 5:37 PM
6	Too much waste water for another grass / soccer field	8/30/2022 5:37 PM
7	Generic playground is not exciting. Too many sports fields. Existing ones in the city often don't get used. No basketball court.	8/30/2022 3:45 PM
8	I love all the soccer fields! Soccer is a huge part of this community.	8/30/2022 3:28 PM
9	Good. Applies to most people and has trees	8/30/2022 2:34 PM
10	Negative: Playground is to close to exit, think kidnapping & runaway kids in parking area. Dog park to close to parking think runaway dogs & dog nappers. Both are too close to the main "Vanden Road"...loud & fast driving... Why not put the sports fields & courts in the front near the main road. At least the fencing will be high enough with sports fields near entrance. Main concern...busy Vanden road & to easy for bad people to get into & out of community park with stolen property/people. Splash pad...we are in a drought!	8/30/2022 2:14 PM
11	Plan concept 2 is looks great. Love the tennis courts snd dog parks .	8/30/2022 1:58 PM
12	Yes!!!! Finally something for everyone in our community! Perfect!	8/30/2022 12:12 PM
13	i like the playgrounds, picnic areas and open space. Looks like there is ample parking. regarding the dog park is there only going to be one, or can there be a small and a large dog park. Just not sure about the soccer field of tennis courts, how close will they be to the picnic area.	8/30/2022 11:37 AM
14	Love the dog park idea	8/30/2022 10:40 AM
15	Basic park. Ok. Dog parks I'm on the fence about.	8/30/2022 9:49 AM
16	This is a great concept! What i've seen in the past with other parks is random areas where you can stretch or do various exercises aka: exercise stops. The signs would tell you what areas this exercise would target and how to do them. I cannot recall where I saw this but it was a great reminder to stretch and targeting various muscles of the body.	8/30/2022 9:06 AM
17	would like to see the fields to have lights. Soccer Fields with Lights is a must. that way the community would be able to use them longer in throughout the day/night. Overall layout looks good. would like to see some kind of central concession stand or food court. if this area is available for soccer tournaments this can bring in a lot of revenue just in concessions during tournaments. Parking- will need to plan for overflow parking (tournaments)	8/30/2022 9:06 AM
18	Love the nature aspect. The parking situation looks nicely laid out.	8/30/2022 9:00 AM
19	No basketball courts yay!!!! No Dog Park, dog owners habitually fail to pick up after their	8/30/2022 8:43 AM

Matt Garcia Community Park | City of Fairfield

animals and unleashed/aggressive dogs just increase likelihood of a child or adult getting attacked and then a lawsuit (please avoid putting in a dog park!!!) Open Space/Nature Networks are wonderful but again attract homeless so unless the no camping ordinance is enforced and regular police patrols or park rangers are deployed, then don't bother with this concept.

20	Concern on traffic safety entering/leaving the grounds. Otherwise like the setup.	8/30/2022 8:36 AM
21	More nature-centered which is the intention of a "park"	8/30/2022 8:20 AM
22	Too many tennis courts and not enough play area for kids.	8/30/2022 8:09 AM
23	The nature space looks organic and natural in this concept. I'd like to keep a little wild for our animal neighbors.	8/30/2022 8:05 AM
24	I like how some picnic areas have their own spot and is secluded in the park. For BIG parties.	8/30/2022 8:03 AM
25	This is ok. But doesn't have as much variety of activities as concept 3 organic play, which is the better park concept.	8/27/2022 4:38 PM
26	Positives: a little of each (playgrounds, picnic, fields, etc) Negatives: unsure if enough parking (for example a Saturday game for 12 soccer teams playing on 6 fields	8/25/2022 8:08 PM
27	Please include restrooms.	8/25/2022 7:28 PM
28	Restrooms are important with small kids! Love the splash pad idea. Lots of shade is important also.	8/25/2022 6:02 PM
29	I like the open space nature network. I hope it has native plants/trees that encourage people to go outside more and interact with nature. Bird watching areas, kids sensory garden or places where they could use magnifying glasses or other tools to interact with insects and plants, and an arboretum with plant labels and descriptions of local wildlife would be great.	8/20/2022 2:27 PM
30	I like this, make sure have shade areas for seniors to sit and enjoy	8/19/2022 9:05 AM
31	Soccer space is too much. Missing walking paths. Good amount of family space.	8/18/2022 9:19 PM
32	I actually love the idea. Sounds like a great park where we can spend lots of time in!	8/18/2022 9:08 PM
33	Overall I like the design. I would rather see more space for play and relaxing rather than investing in a dog park. Animals are great but our first priority should be our youth.	8/18/2022 5:21 PM
34	Why so many soccer fields, is this trying to be a soccer complex?	8/18/2022 2:15 PM
35	I don't care for the splash pad being near the rec center and away from the playground areas. I know kids love to get wet and then go slide, repeatedly. The locations of some of the picnic areas look to be far away from parking. If a mom with children in tow were to be setting up for a party, and wanted/or had only choice of the far corner picnic area, she might have extreme struggle carrying her gear or keeping children with her. I might not be able to visualize the scale	8/18/2022 1:40 PM
36	I like that the parking lot has multiple entrances and sufficient parking space. I like that picnic tables have shade and are spread out around the park. I like that there are also restrooms through out the park. I don't like that the kids playground, splash pad, and dog park are separated by the parking lot road. I think they should be together to prevnt kids from having to cross the parking lot to go to each place. I also dont like that the dog park and playgrounds are close to the main road, I think they should be set back further for saftey reasons. I think the open space area should be in the backside of the park so its more secluded and makes you feel more in nature away from traffic. I do like where the recreation center is located, its visible from the road and has easy access and parking.	8/18/2022 10:20 AM
37	Please, please add shade to the playground. Our kids bake in the hot sun!	8/16/2022 9:31 PM
38	I like the variety of spaces and that they are distributed somewhat evenly. I also like the splash pad, because it seems like a way to help kids stay safe while being active in our California summers. It seems like the tennis courts take up a disproportionate amount of space, but I don't play tennis so I'm biased in that way. I like the open nature area. From what I can tell, the bathrooms are in the bottom left corner, far from parking lots, and I worry about accessibility for those using wheelchairs or other mobility aids. Also, what would the recreation center be?	8/13/2022 11:04 AM
39	Not as much soccer fields and more tennis courts.	8/12/2022 2:40 PM

40	Splash pad should be near playground since kids often like to go back and forth between them. Also should be fair amount of shaded benches/tables near the playground and Splash pad for parents	8/11/2022 5:29 PM
41	I like 3 entrances, use of roundabouts, and the variety of ammenities. Will there be a bike rack?	8/11/2022 6:58 AM
42	Seems like too much soccer fields in each concept. We already have octo fields for soccer as well as fields at allan witt and laurel creek parks. Why 6 more fields? We need better play structures in our cities. 94533 play structures are the worst in some neighborhoods and lack remodeling and maintenance. Which is why they have a lot less families utilizing them and traveling across town to other parks. Its sad that linear park/second st play structure has heroine needles and old crack pipes laying around. I have picked them up with other trash I found lying around to get them out of the bark that my child has played in. Get it together fairfield.	8/11/2022 12:24 AM
43	Dog park should be divided into 2 sections...one for small and one for large. Otherwise, those with small dogs cannot use it as it is too dangerous. Too many soccer fields and not enough tennis courts	8/9/2022 4:53 PM
44	Add more tennis courts. Soccer is enjoyed by several people per field but tennis is 2-4 persons. It is difficult to get courts during peak hours at neighboring areas. Otherwise, great concept!!	8/9/2022 1:23 PM
45	We don't need a dog park in a park that has a splash pad (imagine people not listening to signage and allowing their dogs in the splash pads). The soccer area is too big compared to pickleball area, the demographic of the people enjoying soccer to pickleball will be uneven. The open space and recreation center are great. Parking area needs to be bigger.	8/8/2022 11:15 PM
46	Like the open space, 2 playgrounds, and splash pad. Parking seems to make sense next to playgrounds and sports fields. Too many soccer fields. Is that a little stream/creek?	8/8/2022 5:54 PM
47	I like the large open space area. I don't like that all the sports fields are stacked next to one another.	8/8/2022 5:24 PM
48	Love it!	8/8/2022 4:40 PM
49	I like having tennis courts.	8/8/2022 3:01 PM
50	I	8/7/2022 1:57 PM
51	Looks nice, but is it enough parking. Will there be sufficient overflow parking on the street?	8/7/2022 7:02 AM
52	I like the look of this park and all that it includes. Hopefully there will be at least 4 to 5 tennis courts, with lights As well as a bathroom & seating area (shaded) nearby.	8/6/2022 2:03 PM
53	I can't see any bathrooms. There should be bathrooms.	8/5/2022 10:42 AM
54	Likes sports fields and courts. Missing descriptions on open space & nature networks. What will be included in open space & nature networks? Open spaces can serve different needs such as a community garden or walking trails.	8/4/2022 8:35 PM
55	Dislike its the share is not balance, it seems only serve for the soccer ball teams/ players 6 soccer courts but it missed the basketball courts and tennis & pickleball need to be share same courts , its not fair.	8/4/2022 8:30 PM
56	The only addition to this one would be an amphitheater. And, all of the sports fields are located in the same area. Does it really need 6 soccer fields?	8/4/2022 5:37 PM
57	Very interesting design, its different than most parks in Fairfield. Excited to see the results!	8/4/2022 9:06 AM
58	I like the playground, dog park, and splash pad coponents best. Fairfield could benefit from an extra large/special playground/splash pad features that become a regional attraction that set the MG park apart from any other offerings in Solano County (i.e. a real destination park).	8/3/2022 10:39 PM
59	I do not like the idea of a parking lot in the middle of the area.. parking lot #4. Doesn't seem safe for kids to walk/run through a parking structure to get to the open nature area.	8/3/2022 3:44 PM
60	Good ideas. I do not feel that soccer, pickleball/tennis are enough community sports activities to offer.	8/3/2022 1:15 PM

Matt Garcia Community Park | City of Fairfield

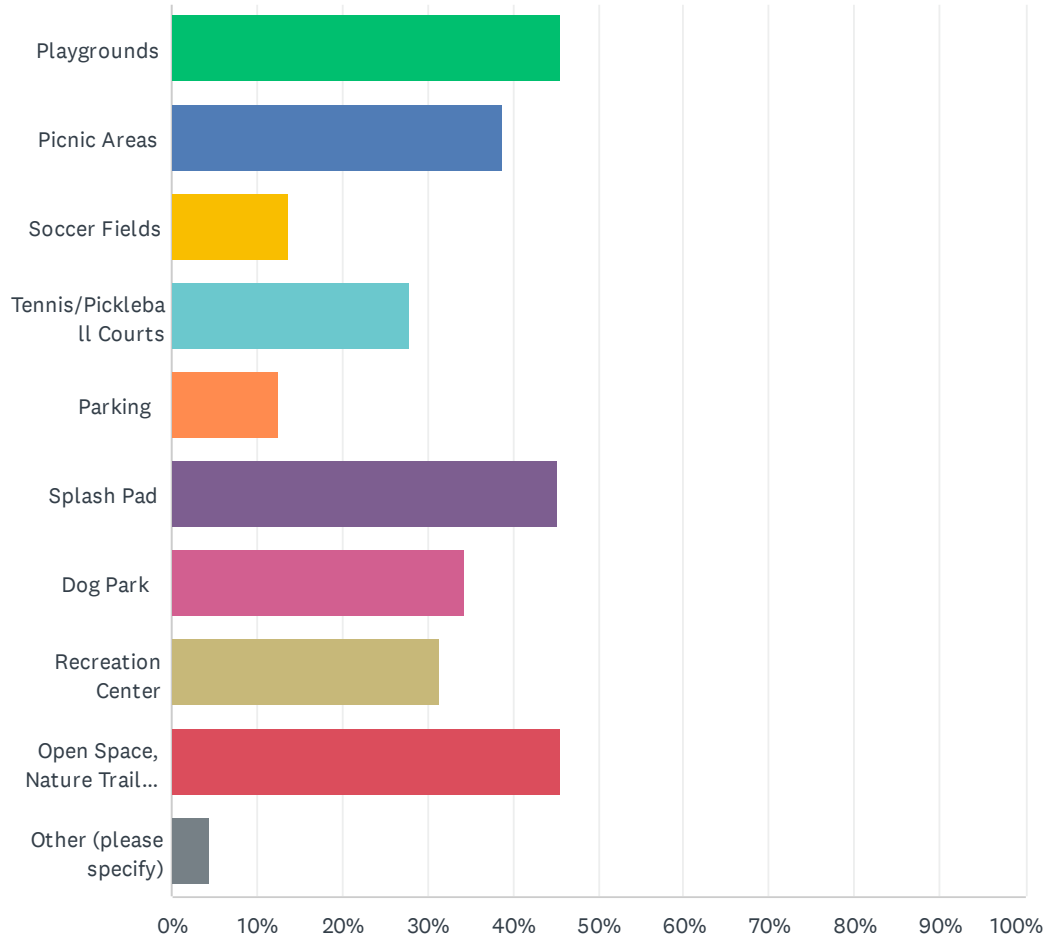

61	I don't see a much needed full court basketball area!!	8/3/2022 11:32 AM
62	Guessing the 2 playgrounds are for younger/older children, this makes it difficult for parents with children of multiple ages. Fairfield in general has a lack of Basketball Courts. Dog park looks squished in. This design has my favorite Open Space, Nature Network plan.	8/3/2022 9:36 AM
63	I like the wide variety of activities this park concept provides and the organic feeling of the open space nature networks.	8/3/2022 9:30 AM
64	I like the rec center, as long as it includes an indoor basketball court, which would be a great benefit to the city. There is much support for a competitive youth basketball league but there is no where to host tournaments which would allow teams to raise money in order to make it affordable for the kids that are unable to play due to the expense while also bringing revenue to the city.	8/3/2022 9:13 AM
65	Like the open space and There are no baseball or basketball courts. There should be more tennis courts and less focus on soccer fields.	8/3/2022 8:31 AM
66	Splash pad is far from the playground. Kids play on both! They go back and forth.	8/3/2022 8:07 AM
67	I dislike how far the playground is from the splash pad as children naturally like to go back and forth between these two features. The playground is on the corner right next to the street and unless it is going to be fenced in, it doesn't allow for a relaxed visit for the parents if they are making sure the children aren't running into the street the whole time. I dislike the splash pad being so close to the parking lot as children like to run through the water and depending on how close the parking lot is, it might be problematic to have the splash pad so close. I don't see any restrooms which would be a nice feature to have especially with the splash pad.	8/2/2022 8:06 PM
68	Recreational center would be a top priority to generate rentals throughout the year for indoor sports.	8/2/2022 7:06 PM
69	I like the variety of amenities, it would be helpful to see the specific locations of the picnic area elements (2), since there is a significant difference between shade structures/tables and restrooms/trash. I like the abundance of sports fields and courts. It looks like there are a lot of trees in the open space labelled 8, which I really appreciate in a park! This plan is more standard, typical park plan, which isnt bad but if given the option id love to see amenities not as common in public parks.	8/2/2022 5:26 PM
70	I think this is a great idea. It has something for all ages.	8/2/2022 5:16 PM
71	I really like the mix of hard and play surfaces mixed with natural sections that could act as wind breaks and meditative areas to join nature. It also seems a little basic, like many other park with the same elements. Why would someone drive all the way to this if they have a similar park closer (playground, picnic areas).	8/2/2022 5:07 PM
72	One of the playgrounds should be closer to the picnic areas in the bottom left (near area 8) so parents can still keep an eye on their kids if they are at those picnic sites also.	8/2/2022 4:59 PM
73	Love having a dog park and opening up more sports fields to attract kids in sports.	8/2/2022 4:38 PM
74	I like that there are more threes in this plan and that there are no basketball courts A jogging trail through out the park would be a good addition	8/2/2022 4:37 PM
75	Dislike, not sure if tennis and pickeball are sharing same courts? If sharing same court please make sure pickleball lines are not overly bright. Makes it very difficult to call lines effectively when playing tennis. Blue court/white lines for tennis with pickleball lines black are ideal.	8/2/2022 4:00 PM
76	Love the tennis courts!!!!	8/2/2022 3:51 PM
77	Need more tennis courts!! Remove some soccer and get more tennis courts!	8/2/2022 3:47 PM
78	I love the dog park. I would like walking paths	8/2/2022 3:25 PM
79	I think the open spaces may also be attractive for native animals to the area, like rattle snakes.	8/2/2022 2:48 PM
80	Likes: Variety of activities	8/2/2022 2:32 PM
81	I like the inclusion of pickleball courts.	8/2/2022 2:14 PM
82	I feel this concept is more balanced with what seems like a lot of spaces for each activity.	8/2/2022 12:10 PM

Matt Garcia Community Park | City of Fairfield

83	Concept #1 feels like the primary focus is on soccer. Picnic areas in the far corner away from parking will likely get little use.	8/2/2022 11:48 AM
84	Like the tennis courts. Like the shaded areas....shade is important in the park for any activity	8/2/2022 11:37 AM
85	I like this concept, I would move some of the picnic bench areas around the larger playground instead of all in a line. I would also add picnic benches, places to sit, and shade in the dog park. I have been to enough of these were there is no where to sit or shade and it is not fun during the summer.	8/2/2022 11:35 AM
86	Liking it so far! I like how the dog park is further out just in case their owners don't pick up their feces.	8/2/2022 10:05 AM
87	Need for more tennis courts with separate pickellball courts	8/2/2022 9:34 AM
88	Concept #1 is by far my favorite, but if I had to rank them, this would be my #2. This design is still to field/court sport centric, there are already enough parks throughout Fairfield that offer this type of play. I'd like to see something different (skate park/pump track) in a new park. I DO like the addition of the Open Space, Nature Network design feature.	8/2/2022 9:28 AM
89	Dislike the dog park being too close to the playgrounds. Too many dog owners would leave their dogs off leash outside of this area and possibly causing injury to children.	8/2/2022 9:26 AM
90	Like it	8/2/2022 9:13 AM
91	Like the soccer fields, splash pad, picnic areas, open space, and rec center. Do not like the dog park.	8/2/2022 8:57 AM
92	I like it	8/2/2022 8:29 AM
93	Please focus on tennis courts versus pickle ball. Do not combine the two on the same court.	8/2/2022 8:12 AM
94	Like the open space nature network and that parking is located to the sides of the park. Don't know if splash pad is necessary, especially given drought and climate change	8/2/2022 7:51 AM
95	I like the variety and the elements with nature	8/1/2022 8:40 PM
96	Community center and baseball field	8/1/2022 7:03 PM
97	a nice mix. i like the picnic areas near the tennis/pickleball courts. please be more clear on tennis/pickleball. dedicated courts to each sport is wildy preferred! your picture shows shared courts which require portable nets for pickleball. the rec center is a nice amenity. i think there are more basketball players out there and a basketball court would be a good add.	8/1/2022 2:27 PM
98	A bit concerned about the dog park being so close to the parking area. May be unsafe if a pooch gets off the leash and makes a dash for it.	8/1/2022 2:23 PM
99	Best location for dog park - big and small need separate play areas.	8/1/2022 1:46 PM
100	As an avid tennis player I strongly dislike the idea of multi use court design combining tennis and pickle ball.	8/1/2022 1:33 PM
101	Located too far from Fairfield/ Suisun city limits for families with children to travel for a playground. improve local neighborhood playgrounds first.	8/1/2022 1:20 PM

Q2 What are your THREE FAVORITE elements included in the Passive Play design (Park Concept #1)? Pick your top three (3) choices.

Answered: 175 Skipped: 15

#	OTHER (PLEASE SPECIFY)	DATE
1	Love idea of dog park just not close to main road & exits.	8/30/2022 2:14 PM
2	Just Tennis, no Pickle Ball	8/30/2022 8:03 AM
3	We need 5 tennis courts to play league games. It is hard to tell how many courts will be there. I hope you will put in five so tournaments and matches can be held there. Fairfield has no place with enough courts to easily accommodate match play. Thank you.	8/18/2022 10:07 PM
4	Restrooms	8/18/2022 10:20 AM
5	I like it included the tennis courts.	8/4/2022 8:30 PM
6	Tennis courts	8/2/2022 5:17 PM
7	Baseball field	8/1/2022 7:03 PM
8	dedicated pickleball courts please!	8/1/2022 2:27 PM

Q3 Please provide comments on the Game On design (Park Concept #2). e.g. likes, dislikes, positives, negatives, ideas, needs being met, missing elements.

Answered: 97 Skipped: 93

#	RESPONSES	DATE
1	I don't think you have enough parking for that many soccer fields. The Octo Inn Soccer area doesn't have this many playing fields and their large parking lot spills over into the surrounding neighborhoods. I feel certain that there would be no available parking for other users during soccer season with this concept. The picnic tables between the basketball and pickleball courts would get little use.	8/31/2022 11:19 AM
2	Love the spread out three play grounds and splash pad, no pickle ball courts in the area so that would be fun	8/30/2022 9:54 PM
3	Like but too many game areas takes away from others	8/30/2022 6:37 PM
4	the splash pad next to the playground is a good idea , more tennis and pickleball courts would be nice	8/30/2022 5:37 PM
5	would be a park for athletes only not everyone; missing something for disabled; see "other"	8/30/2022 5:37 PM
6	Not enough trees. Dubious popularity on the Pickleball and Futsal courts. I've never even heard of either activity before reading this survey. Too many sports fields.	8/30/2022 3:45 PM
7	Love the Futsal courts addition! Futsal and Soccer is what the people of this community have been looking for!	8/30/2022 3:28 PM
8	No trees is bad No baseball or basketball courts please	8/30/2022 2:34 PM
9	Negative: Too many fields...cut in half. Need more picnic & seating areas like concept #1. Again play area & dog park too close to busy road & exit. Honestly we do not need this many fields, soccer? Really..basketball, sure. Who's making these concepts...do you have kids, dogs or play sports in this area? We parents want to sit in the shade to watch our kids & dogs play as well as watch the sports, but FF does not have a big sports venue. I've been in FF over 50 years... Again splash pad...drought!!! Even if recycled...	8/30/2022 2:14 PM
10	I like park concept 2 ✓	8/30/2022 1:58 PM
11	Much needed! Love it!	8/30/2022 12:12 PM
12	i like the playground, picnic areas, open space, splash pad and dog park. I would like to see separate areas for small and large dogs. I think there are 2 many game areas. I would rather not have the pickle ball, futsal courts.	8/30/2022 11:37 AM
13	Standard park set up. Not crazy about a dog park...causes issues for those that don't follow the guidelines.	8/30/2022 9:49 AM
14	not enough open space, nature networks	8/30/2022 9:35 AM
15	this is a great concept and targets most needs that people need/want. what would be great inside the recreation center is an area for yoga or other related zen type exercise	8/30/2022 9:06 AM
16	Like the concept of having all types of fields available. but with this I believe you may need more Parking as you may have more people come for different events. not sure dog park falls into this layout could remove that and extend the parking to allow further spaces. Again, having tournaments and charging for parking is what every multi-sport complex does and that revenue goes back to the city and or what ever organization is running the tournament.	8/30/2022 9:06 AM
17	Looks like it will get hot and windy. A boring design to me unless you want to engage in a team sport activity . Not ideal for multiple interests.	8/30/2022 9:00 AM

Matt Garcia Community Park | City of Fairfield

18	No basketball courts they attract nuisance and just end up vandalized or trashed! No Dog Park, dog owners habitually fail to pick up after their animals and unleashed/aggressive dogs just increase likelihood of a child or adult getting attacked and then a lawsuit (please avoid putting in a dog park!!!) Open Space/Nature Networks are wonderful but again attract homeless so unless the no camping ordinance is enforced and regular police patrols or park rangers are deployed, then don't bother with this concept.	8/30/2022 8:43 AM
19	Could be one less baseball field (Lambrecht Sports complex and surrounding parks have multiple baseball fields), one less soccer field and expand the open/nature area. Like the parking design with this setup.	8/30/2022 8:36 AM
20	Baseball fields might help alleviate high demand for places to play but otherwise it could be wasted space	8/30/2022 8:29 AM
21	Heavy usage since recreation or sports facilities are in demand	8/30/2022 8:20 AM
22	I like the addition of baseball and basketball.	8/30/2022 8:09 AM
23	I like that the splash pad and parks are closer together in this design. This makes sense.	8/30/2022 8:05 AM
24	It would be nice to have more picnic areas for this concept.	8/30/2022 8:03 AM
25	Too much sports stuff not enough open space. Still not as cool as option 3. Concept 2 is my least favorite.	8/27/2022 4:38 PM
26	Positives: includes baseball fields	8/25/2022 8:08 PM
27	Please include restrooms	8/25/2022 7:28 PM
28	This is the only feasible possibility for league or tournament use for tennis and separately pickle ball. The dual purpose approach in options 1 and 3 use obviate decent games in either sport. please do not make this critical mistake!!! Therefore, now that there are only 3 tennis Courts at Allen Witt CP, please have a minimum of 6 tennis courts with 16 to preferably 24 feet (regulation) between sidelines for competitive play. If you need more professional input, contact me at johnsenmary2240@comcast.net- former ExDir-National Tennis Ass'n, Grass Roots Hero-USTA- USOC Volunteer Coach of the Year-2003	8/19/2022 2:19 PM
29	Too much soccer space. Not enough open space. Lots of different athletic opportunities.	8/18/2022 9:19 PM
30	Wondering what the 3 separate playgrounds will entail? Will it be by age ? I like this concept as well.	8/18/2022 9:08 PM
31	I feel like this park gives more diversity as far as activities.	8/18/2022 5:21 PM
32	Again why so many soccer fields and is there a demand for more baseball fields?	8/18/2022 2:15 PM
33	this looks like a ball park and not really a family with younger children fun park.	8/18/2022 1:40 PM
34	I like where the recreation center is located, it has easy access and parking. I dont like that the playgrounds are so far appart, I think they shoud be central. They are also separated by the parking lot which can cause kids to run across to get to another park. Dog park too close to the road (Vanden) as well as the slpash pad and one of the playgrounds. I dont like the segragation of the park, it make it harder to keep an eye on kids of different age groups. I think there should be picnic areas and restrooms in the open space area.	8/18/2022 10:20 AM
35	Not what I'm looking for in a park. Feels too developed.	8/16/2022 9:31 PM
36	not enough playgrounds.	8/13/2022 5:50 PM
37	This does not look like a park I would want to visit, unless it was to watch my nephews play a sports event here or something. There are definitely strengths to this design, and it would meet some people's needs, but I would rather go to a different park as I feel this would be too loud and crowded for me to be able to relax or go for a walk in nature	8/13/2022 11:04 AM
38	Not as much soccer fields and more tennis courts.	8/12/2022 2:40 PM
39	Seems good! I like that there is a variety of play areas.	8/11/2022 5:29 PM
40	Good variety of activities.	8/11/2022 6:58 AM
41	I dont like the idea of a baseball field right next to a play structure. Needs trees	8/11/2022 12:24 AM

Matt Garcia Community Park | City of Fairfield

42	Same as above...too much soccer, not enough tennis and dog park needs to be split between small and large. Like the first concept better	8/9/2022 4:53 PM
43	It appears very crowded.	8/9/2022 1:23 PM
44	All the different sports areas are great! But there should be more tennis/pickleball space. No need for a lot of soccer space if there is a futsal space, and no need for futsal if there is such a huge soccer space. The recreation center is very exciting. Please put an adventure playground into concept #2 if chosen.	8/8/2022 11:15 PM
45	Dislike lack of open space, too many soccer fields	8/8/2022 5:54 PM
46	This is my least favorite design because the open space area seems to be minimal and there are too many sports fields/courts.	8/8/2022 5:24 PM
47	I'd prefer more open space.	8/8/2022 4:40 PM
48	I like having tennis courts.	8/8/2022 3:01 PM
49	Again nice layout with a little broader use. I do think futsal is not necessary as it is usually played in the winter and typically indoors.	8/7/2022 7:02 AM
50	This layout is much better with the pickle ball being separate from the tennis as well as lots of other activities available!	8/6/2022 2:03 PM
51	I like the parking surround the park	8/5/2022 10:42 AM
52	Large dog park with separation for large and small dogs. Also, water spigots and shaded areas for dog owners to sit. Plant drought resistant trees with irrigation to keep them alive during the summer heat.	8/5/2022 6:30 AM
53	3 playgrounds aren't needed b/c overtime the playgrounds get old & there is no area to maintain the playgrounds. An example is Allen Witt Park. They use to have 3 playgrounds now they only have 1 playground. A splash pad isn't needed b/c there is one downtown & Fairfield gets cold in the fall & winter.	8/4/2022 8:35 PM
54	I like it separate the tennis courts and pickleball courts. I like the parking lot designs which can easy to reach all area. And, 4-5 soccer courts are good enough in a park, please release one soccer field to build more tennis courts and pickleball courts , it is two sports ,please separate to two area, not share the same court. thanks.	8/4/2022 8:30 PM
55	This concept seems fun and inviting to more varieties of people.	8/4/2022 9:06 AM
56	The sport courts/fields are also a need. However, this component emphasizes the need for programming, which has cost considerations long-term.	8/3/2022 10:39 PM
57	I don't like the idea of separating the kids area from the other activities. Doesn't seem safe to keep an eye o the kids on the other side of a parking lot. kids area should be next to the rest of the areas.	8/3/2022 3:44 PM
58	I like this design. It includes more community sports. I like the separation of pickleball and tennis courts, but I am hoping that there are at least two - three tennis courts? It would be nice if the community can sponsor some USTA tennis leagues for the area. You could blend the pickleball lines and the tennis court lines to provide more multiuse of this area.	8/3/2022 1:15 PM
59	NOT ENOUGH PICNIC AREAS! Too many sport fields. Remove pickle ball & baseball. We have enough baseball fields in the area.	8/3/2022 11:32 AM
60	Is there a need for more baseball fields in this part of town? It's not far from a large baseball field complex in Vacaville. This design has my favorite parking layout. I feel 3 playgrounds are excessive. I don't even know what fustal is.	8/3/2022 9:36 AM
61	I think having multi-use fields suitable for a variety of sports is preferable to having so many dedicated sports fields as they take away from other recreation opportunities that have broader appeal to a greater variety of ages/genders/etc.	8/3/2022 9:30 AM
62	Nice size dog park and baseball fields, but too much emphasis on soccer. Balance with more tennis and pickleball courts.	8/3/2022 8:31 AM
63	Put playgrounds closer together for families with multiple age kids, or families would have to walk from one playground to the other for their kids to each play.	8/3/2022 8:20 AM

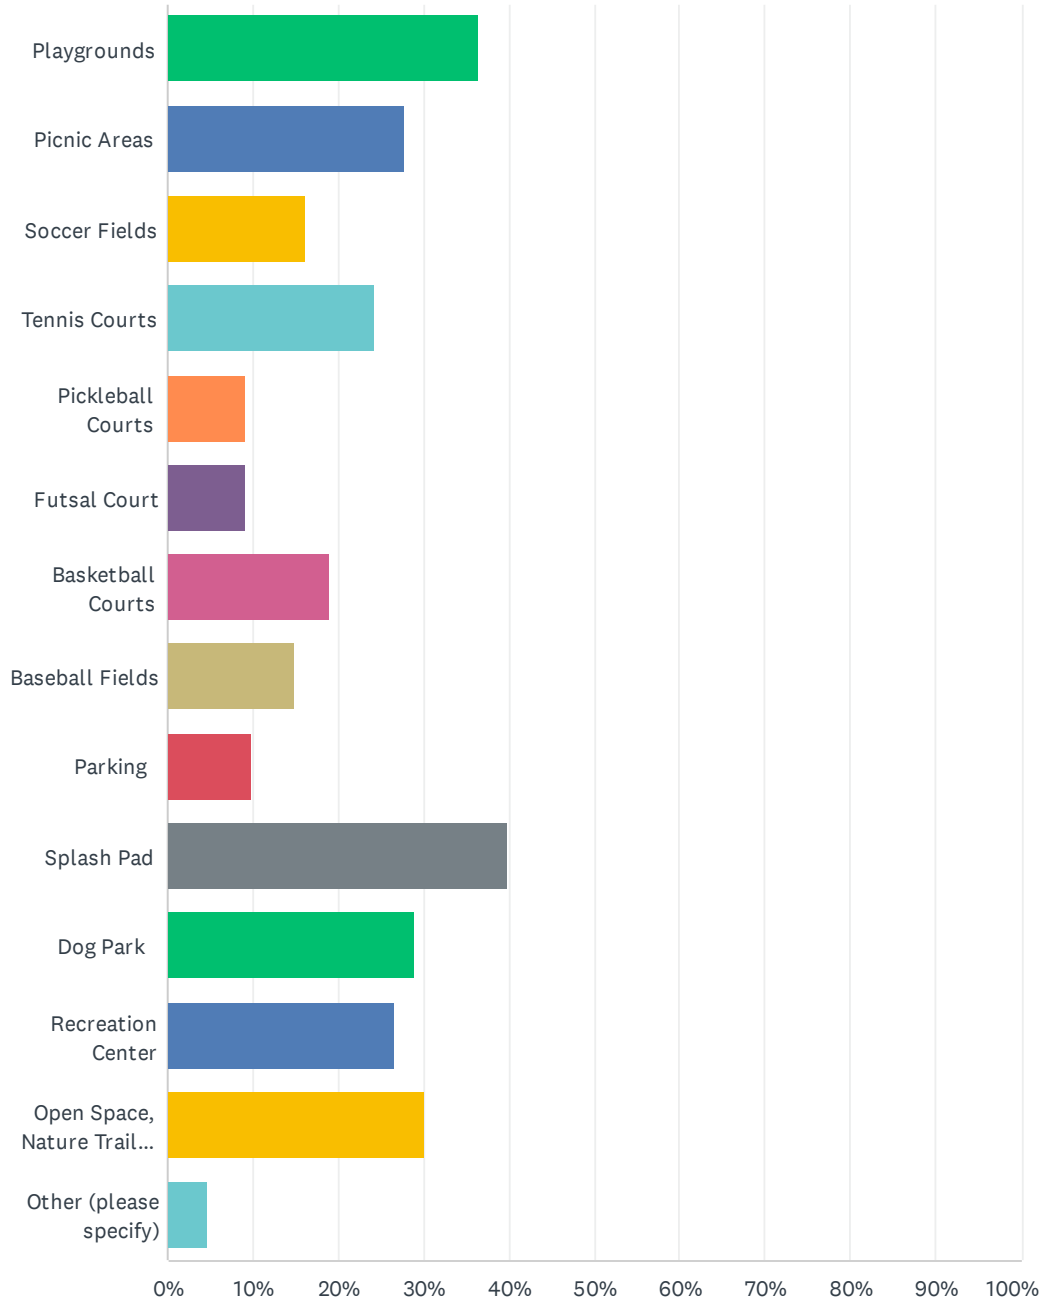

64	Playgrounds are far apart. If you have multiple children varying in age, they wont want to play at the same playground. If they are closer together it is easier to migrate to the next one versus walking across the entire park. I like that the splash pad is next to one of the playgrounds.	8/3/2022 8:07 AM
65	Love that the restrooms are right next to one of the playgrounds. Love that there are multiple playgrounds and a splash pad	8/2/2022 8:06 PM
66	Love this concept and expands to more sports options.	8/2/2022 7:06 PM
67	Coming from someone who uses parks more for picnicking/ relaxing rather than sports, this concept lacks the abundance of large areas of open space. While I do think this plan would serve the community that is heavily involved in sports, it may not serve other park goers as well. Unless this park had regular programs that introduced people to different sports, that would be cool!	8/2/2022 5:26 PM
68	I like the design but it would be nice to have more than one tennis court.	8/2/2022 5:17 PM
69	Don't know what a Futsal Court is.	8/2/2022 5:16 PM
70	This has great variety but feels cold. There are no groves of trees, no nature to enjoy even though it is in the middle of a natural area. Wind seems like it will be an issue making sports balls get blown around and affect play/game results. I like the variety of playing fields and play structures spread across the length of the park, not just confined to one area.	8/2/2022 5:07 PM
71	I like the fact the playgrounds are near the picnic sites so parents can keep an eye on their kids.	8/2/2022 4:59 PM
72	Love the inclusion of multiple sports. Concern would be parking availability if multiple sports had games simultaneously.	8/2/2022 4:38 PM
73	Don't want baseball fields or basketball courts	8/2/2022 4:37 PM
74	Dislike: Looks like smaller space for Tennis/pickleball, aka less courts. Nott sure if tennis and pickeball are sharing same courts? If sharing same court please make sure pickleball lines are not overly bright. Makes it very difficult to call lines effectively when playing tennis. Blue court/white lines for tennis with pickleball lines black are ideal. Also dislike a lot less nature space.	8/2/2022 4:00 PM
75	Take away two soccer fields and build more tennis courts!	8/2/2022 3:47 PM
76	I love the dog park	8/2/2022 3:25 PM
77	Likes: Variety or activities	8/2/2022 2:32 PM
78	Too much focus on sports fields. If none of it is being used it's just there empty. And if it's there being empty and not used it should be a bigger open space nature/trials.	8/2/2022 12:10 PM
79	Concept #2 has a good balance of court sports. I don't like the location of the picnic area sandwiched between basketball and tennis/pickleball. If there is a way to squeeze in a pump track it would bring in the adolescents that don't participate in popular team sports.	8/2/2022 11:48 AM
80	Looks good! Like it but maybe needs a couple small shade areas	8/2/2022 11:37 AM
81	it's missing the natural peaceful feel, its too busy, makes me feel hot looking at it, like there will be no shade or trees.	8/2/2022 11:35 AM
82	I like the expanded areas	8/2/2022 10:05 AM
83	Need to separate the tennis and pickellball courts	8/2/2022 9:34 AM
84	My least favorite of the three. I do like the addition of Pickleball/Futsal courts, at least that something a little different. Still, this would not be my first choice by far.	8/2/2022 9:28 AM
85	I like this concept the best but again, now dog park is close to playfields and with careless owners, they might let them run loose in the playfield and tearing up the lawn or using the playfield as a restroom	8/2/2022 9:26 AM
86	Like i	8/2/2022 9:13 AM
87	Love the soccer fields, tennis court, splash pad, and rec center with open space. Do not like	8/2/2022 8:57 AM

dog park

88	I like it	8/2/2022 8:29 AM
89	Like that there's a lot of fields to meet demand, don't like that parking separates portions of the park, don't know if splash pad is necessary due to drought and climate change	8/2/2022 7:51 AM
90	Baseball or softball field	8/1/2022 9:22 PM
91	I think its too big on the sports areas	8/1/2022 8:40 PM
92	fewer soccer, substitute the futsal for a soccer field or two. more room for pickleball. like the picnic area near pickleball but it looks like too few pickleball courts. like that they are dedicated to pickleball and tennis and not combined.	8/1/2022 2:27 PM
93	I would prefer the playgrounds to be further from sports areas....some people get really competitive and language can be colorful.	8/1/2022 2:23 PM
94	Dog park is to close to the sports fields. It should be by itself as much as possible or closer to open space/nature networks.	8/1/2022 1:46 PM
95	Not enough picnic areas	8/1/2022 1:44 PM
96	Like stand alone tennis courts. Would be nice to have four courts allowing USTA league play.	8/1/2022 1:33 PM
97	Baseball and soccer fields will need to much maintenance.	8/1/2022 1:20 PM

Q4 What are your THREE FAVORITE elements included in the Game On design (Park Concept #2)? Pick your top three (3) choices.

Answered: 173 Skipped: 17

ANSWER CHOICES	RESPONSES	
Playgrounds	36.42%	63
Picnic Areas	27.75%	48

#	RESPONSES	DATE
1	I like most of the features in this concept, except the amphitheater. I strongly believe that it would get little (if any) actual use. It sounds great in concept, but I have seen no demand for an amphitheater. I think the skate park should be an above-ground type like the one at Cordelia Community Park and definitely not like the one at Allan Witt. If it turns into a vandalism magnet it could be converted to another use more easily if it wasn't dug out into bowls. I think there could be a better location for the basketball courts, such as the northwest corner just above the soccer & pickleball courts. The picnic tables sandwiched between the basketball courts and the amphitheater/skate park will be unused by families. If they were adjacent to the playground they would be used by families watching their children at play. I don't see a restroom building on the plan (unless that's part of the recreation center). With so many recreation options there needs to be adequate restroom facilities.	8/31/2022 11:19 AM
2	My absolute favorite selection, the closest pump track is napa do this would be a great addition to solano county, also a skate park and adventure playground are so needed here!	8/30/2022 9:54 PM
3	Best Of the three has enough of each needs.	8/30/2022 6:37 PM
4	10/10 for the adventure playground, amphitheater and skate park. Again, would be nice to have more of a mix of sport courts	8/30/2022 5:37 PM
5	needs a community garden maybe?	8/30/2022 5:37 PM
6	Lots of trees, very good. Look to "City Park" in Winters for a well-executed "adventure playground". It draws all sorts of visitors from out of town. Needs a baseball field or 2.	8/30/2022 3:45 PM
7	Missing the Futsal.	8/30/2022 3:28 PM
8	No basketball courts or skate park or pump track	8/30/2022 2:34 PM
9	Having open space for outdoor activities id healthy for families there is a need to provide an alternative to video gaming and lap top time	8/30/2022 2:31 PM
10	Forget the amphitheater..not used enough ever when I have seen them. Skate park & pump track is is cool BUT dangerous...ready to 911 calls & motorized vehicles to try & drive on these places?? NO soccer field, swap with baseball & or basketball or tennis. Splash pad no again. More shade & seating for spectating.	8/30/2022 2:14 PM
11	I like concept 2✓	8/30/2022 1:58 PM
12	i like this concept most of all. 'm not a fan of the pump track, but the rest is really good	8/30/2022 11:37 AM
13	Love love love the Skate park idea! Also like the pump track!	8/30/2022 10:40 AM
14	Love this plan. Minus a dog park as they are not so safe for dogs at times. Skate park, pump track and adventure playground...yes!!	8/30/2022 9:49 AM
15	The amphitheater is a great idea. What would be amazing is to utilize this area like Creekwalk in Vacaville. We do not have anything like this in Fairfield. The one concern I have that is a big issue for our city, is areas getting tagged by various gangs. whatever surface types are used, it would be beneficial to have a coating that makes it easy for spray paint to be removed.	8/30/2022 9:06 AM
16	I see this layout of Adventure playground and Pump Track might be all fun at first as it is new but in time things will get old and the up keep for these areas will be more of a cost to the city and use will end up declining. going with a route of useful layouts would be more efficient.	8/30/2022 9:06 AM
17	Fresh ideas- this park has many things that Fairfield is lacking- it would interest multiple age	8/30/2022 9:00 AM

groups and past times.

18	No basketball courts and no skate park they attract nuisance and just end up vandalized or trashed! No Dog Park, dog owners habitually fail to pick up after their animals and unleashed/aggressive dogs just increase likelihood of a child or adult getting attacked and then a lawsuit (please avoid putting in a dog park!!!) Open Space/Nature Networks are wonderful but again attract homeless so unless the no camping ordinance is enforced and regular police patrols or park rangers are deployed, then don't bother with this concept.	8/30/2022 8:43 AM
19	Like how user-friendly this is, and plenty of parking	8/30/2022 8:29 AM
20	Alternative sports are represented--a good thing	8/30/2022 8:20 AM
21	More of a mixed use space, not just a park but it actually has activities and challenges. Will there be any inclusive play equipment?	8/30/2022 8:09 AM
22	This is an amazing park! With the adventure playground, pump track, skate park and the usual sports, this is your best option.	8/27/2022 4:38 PM
23	Rec Center, Adventure Playground & Amphitheater are options not found in other Fairfield parks & would attract visitors from Fairfield as well as Travis AFB. Anyway to incorporate a walking track around the perimeter? Also, a LOT of active play will happen here, so can there be plenty of shaded seating areas & a water bottle filling station for rest breaks? A theme like California wilderness similar to the aspects included in the California Experience at the Oakland Zoo would be amazing for small children to become more familiar with the animals & habitats of native California through educational points along with addicting a swinging "bridge", oversized flowers/leaf structures, something that produces animal/bird sounds really brings the adventure to life. At the Rex center, offering classes like rock climbing, indoor skydiving, or BMX (mountain biking) aid the adventure theme to make this park a novelty in the area of California.	8/26/2022 11:10 AM
24	Positives: adventure playground, amphitheater, skate park, pump track	8/25/2022 8:08 PM
25	Love that this is something new for Fairfield with the amphitheater and another skate park. My favorite design so far. Great idea for the adventure playground	8/25/2022 7:28 PM
26	Like it	8/21/2022 1:50 PM
27	love the adventure playground I think kids need more organic places to play and learn	8/20/2022 2:27 PM
28	This one is more modern it's I like it	8/19/2022 9:05 AM
29	I love the idea of the adventure playground and amphitheater. Just not sure about the pump track and skate park. Not sure what kinds of crowds it will attract	8/18/2022 9:08 PM
30	This park is the most unique and provides lots of opportunities for kids to play, move and exercise. It also supports the arts. My concern is attracting people who just want to hang out and trash the park. This is however my favorite choice. Another concern is anything available for disabled individuals.	8/18/2022 5:21 PM
31	I like how this concept includes new and unique things that aren't already in the city and has a heavier focus on nature.	8/18/2022 2:15 PM
32	I really appreciate the addition of so many trees and nature. The parking looks well situated to everything the park has offered	8/18/2022 1:40 PM
33	I really like the layout of this park. The one thing i would change is the location of the recreation center and the dog park. I think the recreation center should be closer to the main road and entrance and i think the dog park should be closer to the playground so that people can watch their children in the park while they have their dog in the dog park. I like that everything is more central than the other park concepts, it makes it easier for families with differ age children to be able to let them play freely in their desired area of the park and still be able to keep an eye on them all from one location. I like that there are options for all age groups to enjoy. I think there should at least me a restroom closer to the the pump track and open space area. I like that the parking lot doesnt cut through the park and goes around it. I like the multiple park entries to cut down on drive through traffic.	8/18/2022 10:20 AM
34	Yesssssss! This one for the win. Please include shade near/over the playground!	8/16/2022 9:31 PM
35	i	8/13/2022 5:50 PM

Matt Garcia Community Park | City of Fairfield

36	I like this idea. It meets a lot of needs for both kids and adults. Having an amphitheater seems like a good investment in building a space for local events like concerts, movies in the park, etc. I like the idea of an "adventure playground," although I'm not quite sure what it would entail. It seems like something my nephews would enjoy. I think there's a good balance between sports areas for adults, sports areas for kids/teens, and open spaces or picnic areas. The distribution feels more organic, and I like how the parking lot in the middle provides easy access to multiple activity areas. I wish I could tell on these diagrams where bathrooms are, because I think that's a really important part of making parks accessible for everyone (and the inclusion of gender inclusive and family bathrooms is also important). I like the splash pad again. I think this is my favorite design.	8/13/2022 11:04 AM
37	This my favorite. It has more variety compared to the other 2.	8/13/2022 10:54 AM
38	Not as much soccer fields and more tennis courts.	8/12/2022 2:40 PM
39	This one is the best! I love the adventure playground! My kids will love this.	8/11/2022 5:29 PM
40	Why so many soccer fields? Bike rack? Pump track is fabulous! Like the adventure park and skate park. Ampitheater looks like it could be a great draw.	8/11/2022 6:58 AM
41	Organic play looks great if the play structure has areas where children of all abilities can play. I also think the splash pad could be bigger as most splash areas are pretty small at parks that include them. The one thing I don't like is the skate park.	8/11/2022 12:24 AM
42	Like this the best! But still, too many soccer fields and not enough tennis. Split dog park into small and large. Like the skate, bike and amphitheater additions	8/9/2022 4:53 PM
43	I like how activities are separated. Noise and disruption is a factor if some activities are next to each other (i.e. dog park and tennis, picnic and soccer, etc.)	8/9/2022 1:23 PM
44	There is not enough pickleball/tennis space. The most exciting aspects are the adventure playground (nothing like that here in Fairfield) and the recreation center. The pump track, the dog park, and most especially the amphitheater are unnecessary. Not very many people will be able to enjoy the pump park compared to the skate park. The amphitheater most certainly will hardly ever be put to good use, and it's a waste of space.	8/8/2022 11:15 PM
45	Like parking goes into the park. More accessible to different areas of the park.	8/8/2022 9:06 PM
46	Like the open space, amphitheater. Love the adventure playground and bike pump track.	8/8/2022 5:54 PM
47	This is my favorite design because there is lots of open space and a wide variety of activities. I think this design will attract the most people with varying interests. The amphitheater and pump track are great additions.	8/8/2022 5:24 PM
48	I like the adventure playground. Would prefer more tennis.	8/8/2022 4:40 PM
49	I like having tennis courts.	8/8/2022 3:01 PM
50	Splash pad is probably not a good idea as we try to conserve water. I also think the skate park and pump track should be reduced to one or the other.	8/7/2022 7:02 AM
51	I like this design as well, but preferred to have the tennis court separate from pickleball	8/6/2022 2:03 PM
52	I like where the open space are scattered	8/5/2022 10:42 AM
53	Plant a lot of trees, water them, maintain them.	8/5/2022 6:30 AM
54	The amphitheater looks out of place. I don't understand the purpose of the amphitheater b/c I don't know if it will be reserved or just place to sit & talk. A running track could be in place there of the amphitheater even if it's sand like the wood creek park. I like the bike track b/c it provides a safe place for ppl to ride bicycles safely. Make the bicycle pump track bigger. Not sure what the blue line by the open space is. Is the blue line a river. Maybe like one lake you could add paddle boarding or find a way to keep it clean weekly & surround it with plants.	8/4/2022 8:35 PM
55	dislike it just have few tennis courts and pickleball courts need to share the area, it is not enough to serve the Fairfield residents needed. please convert one soccer field to build/ make the more tennis courts & pickleball courts and separate it to have their own area.	8/4/2022 8:30 PM
56	Not sure why the basketball courts are separated from the rest of the athletic fields; could be moved over to near the tennis court?	8/4/2022 5:37 PM

Matt Garcia Community Park | City of Fairfield

57	Im loving the more organic theme, but does seem like there is more maintenance involved in this concept especially with the pump track, which is pretty neat!	8/4/2022 9:06 AM
58	Again, a large, best in class playground component is a huge positive. The amphitheater would be a nice addition as well for community events.	8/3/2022 10:39 PM
59	I like this layout the best. Seems safest, you can play tennis while kids are on the playground and you are able to safely keep an eye on them from a small distance.	8/3/2022 3:44 PM
60	I like the addition of the skate park and the pump track. Could these be incorporated into the #2 design in lieu of some of the soccer fields?	8/3/2022 1:15 PM
61	Too many soccer fields. Not enough basketball areas. Redo the design on the playground-it is ugly. Make sure there is plenty of seating.	8/3/2022 11:32 AM
62	Loving the extra open space, nature network. Adventure Playground is the best playground. A second skate park would be great, if it's more like the one at Allan Witt and less like the one at Gary Falati park. This emulated the open space from Concept 1 that I liked. A pump track in town is AWESOME, especially across town from Rockville. The amphitheater and parking look like it's better for concerts and food truck festivals, both of which I enjoy.	8/3/2022 9:36 AM
63	I love the organic nature of the overall concept - it's my favorite of the three concepts. This concept feels the most unique and seems like it would be a recreation destination, particularly the pump track, skate park, and adventure playground. However, I think there are too few tennis/pickleball courts relative to the number of soccer fields.	8/3/2022 9:30 AM
64	This is by far my favorite design option. I think Matt Garcia's park should be an example of innovation. With the adventure park and pump track I think this design has that. However as I said before indoor basketball facilities should be included in the rec center.	8/3/2022 9:13 AM
65	Nice playground and open spaces, but too much emphasis on soccer. There are no baseball fields and only a very small area for tennis and pickleball courts.	8/3/2022 8:31 AM
66	This one is my favorite. My only dislike is the proximity of the splash pad to the park. Kids play on both. When they get cold they go to the playground, when they get hot they go back to splash pad. They need to be next to each other.	8/3/2022 8:07 AM
67	I like having the amphitheatre	8/3/2022 5:51 AM
68	Like the idea of an adventure playground but wish there could also be a traditional plus structure for the smaller children who can't yet manage the adventure course. I like the bathrooms right next to the adventure course and like the splash pad	8/2/2022 8:06 PM
69	I love the amphitheater and adventure Playground. The amphitheater can host a bevy of community events that include festivals where food trucks and small businesses can participate more.	8/2/2022 7:06 PM
70	This one is great!! I love the variety of use without taking away from the sports fields-- especially the skate park, adventure playground, and amphitheater! I think this plan provides a wide variety of amenities for most populations. I love that there are sports fields and skate parks, etc while also having open space for those who want a slower paced park experience. I would love to see this one more fleshed out. Definitely my favorite!	8/2/2022 5:26 PM
71	Please do not design pickle ball courts on same courts as tennis. (Is don't draw pickle ball courts on the tennis courts. They are 2 separate sports and need separate areas.	8/2/2022 5:17 PM
72	I think that the skate park and amphitheater are an invitation for them to get tagged.	8/2/2022 5:16 PM
73	I love this one the most! I really like the mix of hard and play surfaces mixed with natural sections that could act as wind breaks and meditative areas to join nature. There are fun elements (adventure park, pump track, skate park) that most other parks and neighborhoods don't have. This would be a park I would drive the 20 minutes from my house to. We could spend the day working our way playing at the different elements. We are not active participants in organized sports so we would not visit the fields and so this park still provides us fun and excitement. Parents who have a child playing on a field will have great nearby options to keep their other children occupied and playing. So many people already have bicycles so the pump track would be accessible for most. There are no adventure playgrounds in the area we know of, my son would be over the moon to see it here. He could play on it all day. So much more fun that all the same feeling park play grounds we have at each regular neighborhood park.	8/2/2022 5:07 PM

Matt Garcia Community Park | City of Fairfield

This is a special place and providing a fun and special experience with all these wonderful play areas would be awesome!!

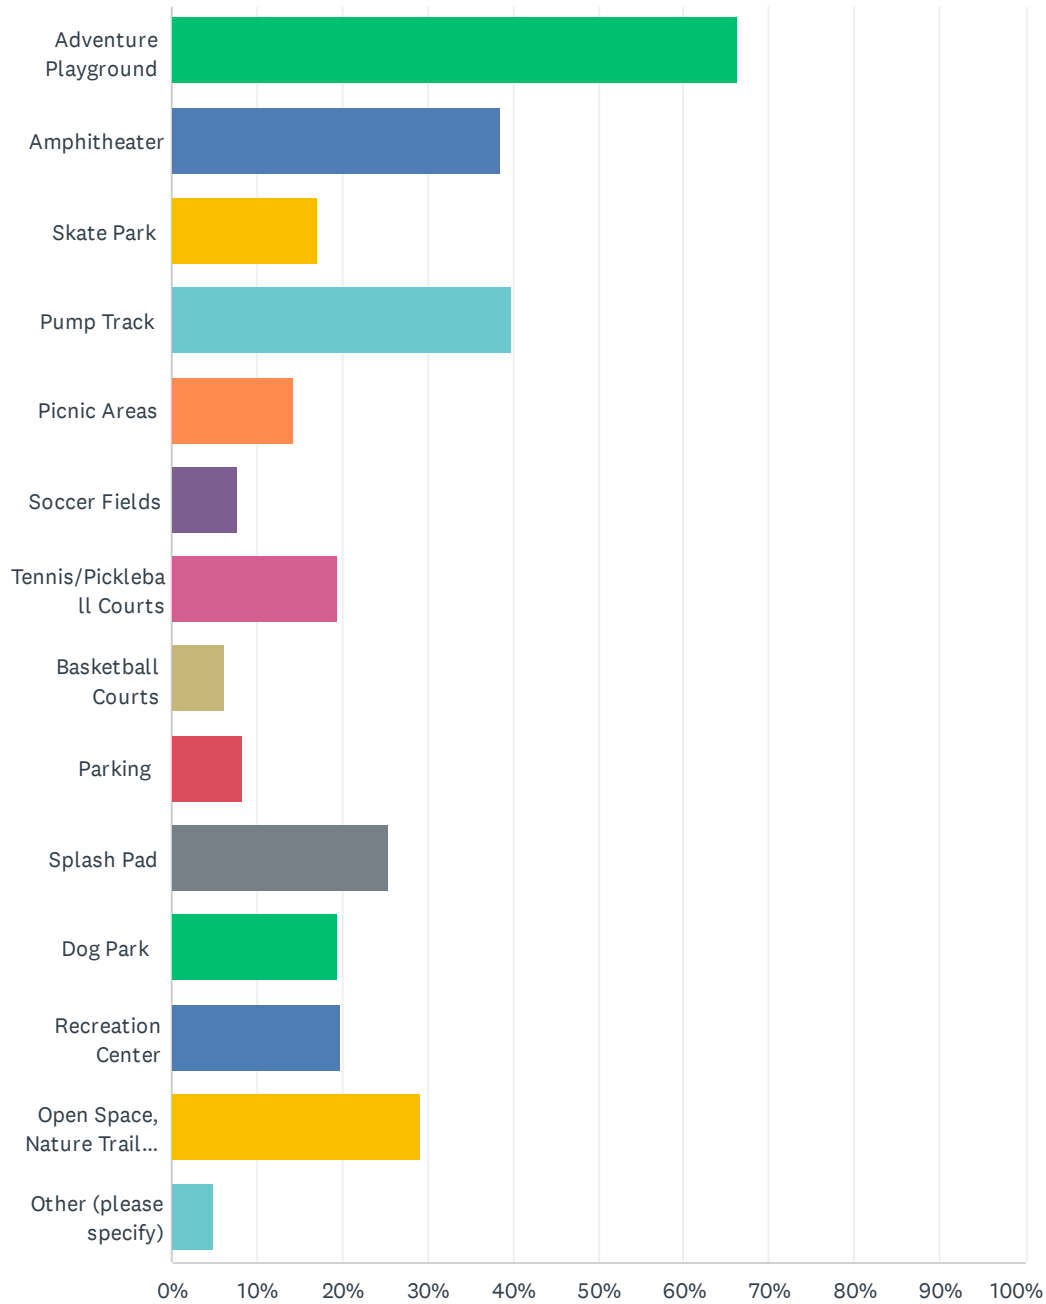

74	Again, I like the fact the playgrounds are near the picnic sites so parents can keep an eye on their kids. I've never heard of a Pump Track.	8/2/2022 4:59 PM
75	Love the adventure park and amphitheater.	8/2/2022 4:38 PM
76	Live that tennis and pickball have separate courts, however not sure how many courts will fit into allotted space. Kids will love the adventure playground and I love the open space/nature trail section.	8/2/2022 4:00 PM
77	More tennis courts please!!	8/2/2022 3:47 PM
78	I love the adventure playground and dog park	8/2/2022 3:25 PM
79	This sounds like wonderful plan for this neighborhood. There is nothing remotely close to it and the kids could really use something like this. My favorite plan.	8/2/2022 2:48 PM
80	Likes: Unique activities	8/2/2022 2:32 PM
81	It feels too busy, trying to do it all. In trying to do it all it might make all of the amenities feel small and cramped. There can't be enough parking for all of these activities.	8/2/2022 12:10 PM
82	I like the pump track but you might want to separate the dog park and the track. Many dogs are reactive to quick moving objects and/or loud noises and the placement could contribute to chaos at the dog park. Add more restrooms to the "corners" of the park. Move the splash pad closer to the play areas.	8/2/2022 11:55 AM
83	Lose the amphitheater and skate park. Skate parks attract vandalism and amphitheater will get little use. Move the basketball courts away from the playground/picnic area, maybe to the current skate park area and push the picnic area to the current basketball court area so families can keep an eye on their children. Basketball courts attract young adults and teens, rather than small children. Add an additional tennis/pickleball court. The pump track is a great idea that should appeal to adolescents and teens.	8/2/2022 11:48 AM
84	I think young kids prefer a more structured playground area	8/2/2022 11:37 AM
85	I really like the adventure playground concept. However, I would move the skate park to where the pump track is, get rid of the pump track, and put a regular playground with more picnic benches and trees where the skate park is now.	8/2/2022 11:35 AM
86	Separate tennis and pickellball courts	8/2/2022 9:34 AM
87	I LOVE that this design includes a skate park and pump track. There are parks all over the city that offer the "normal" sports fields, but not many (or none at all in the case of a pump track) that have these options. The addition of the Adventure Playground and Amphitheater also rank high with me. Overall, I feel this design offers something for everyone vs the others that cater to the field/court sports crowd.	8/2/2022 9:28 AM
88	Dislike this concept	8/2/2022 9:26 AM
89	Like it	8/2/2022 9:13 AM
90	Like the soccer fields, splash pad, rec center, and open space. Do not like dog park, amphitheater	8/2/2022 8:57 AM
91	Looks good	8/2/2022 8:29 AM
92	Love the adventure playground and pump track ideas (we don't have this in other parks in Fairfield), don't like that parking is in the middle of the park as it should be out of the way, don't know if splash pad is necessary due to drought and climate change	8/2/2022 7:51 AM
93	Dislike the amphitheater	8/1/2022 8:40 PM
94	i think i like this one the best but again too much soccer. subsitute pickleball and tennis dedicated courts instead of one of the soccer fields. that is a ton of real estate dedicated to just one sport. i like the skate park and pump track as long as the emt's are close by to tend to all the broken body parts.	8/1/2022 2:27 PM
95	So many options. This is pretty cool.	8/1/2022 2:23 PM

Matt Garcia Community Park | City of Fairfield

96	Too much going on here. Doesn't sound peaceful at all.	8/1/2022 1:46 PM
97	I like the idea of the adventure playground. I think the pump track is unnecessary. This layout could use more picnic area.	8/1/2022 1:44 PM
98	As an avid tennis players strongly dislike the idea of multi use design for tennis and pickle ball courts.	8/1/2022 1:33 PM
99	Best Concept! Diverse park features. Great attractions for all ages. Vanden road would need to be improved with bicycle lanes.	8/1/2022 1:20 PM

Q6 What are your THREE FAVORITE elements included in the Organic Play design (Park Concept #3)? Pick your top three (3) choices.

Answered: 181 Skipped: 9

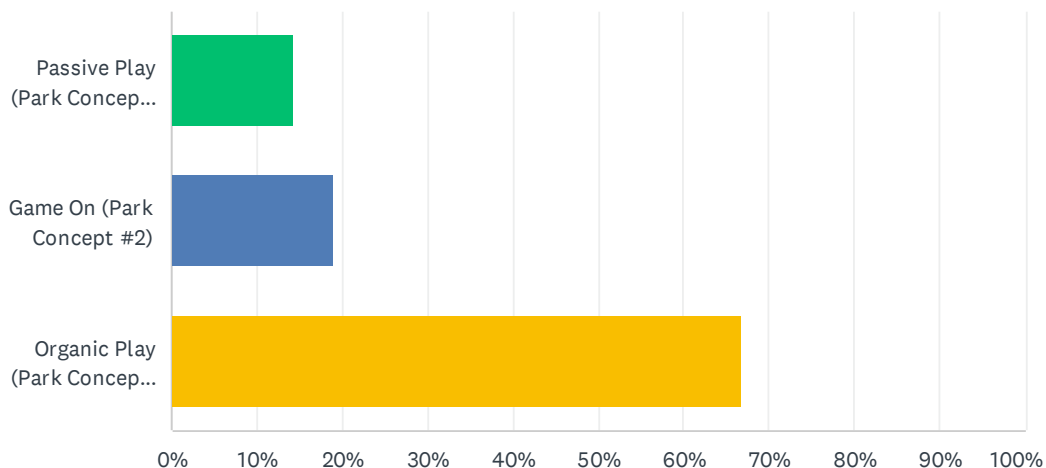

ANSWER CHOICES	RESPONSES	
Adventure Playground	66.30%	120
Amphitheater	38.67%	70
Skate Park	17.13%	31
Pump Track	39.78%	72
Picnic Areas	14.36%	26
Soccer Fields	7.73%	14
Tennis/Pickleball Courts	19.34%	35
Basketball Courts	6.08%	11

#	RESPONSES	DATE
1	This park provides something for everyone and year round enjoyment.	8/31/2022 9:21 PM
2	I see the Adventure Playground being very popular with families. The pump track is something new for our community, but judging by how many bikes are used in the current skate parks it would likely be a popular attraction. The amphitheater is a waste of real estate; please consider something else for that spot.	8/31/2022 11:19 AM
3	Great job on all of these. I felt like #3 had lots for the children to do - great place for whole family. Love amphitheater for live performances, appreciate the open space so that people can relax and enjoy nature too. Love the splash park and dog park - just has something for everyone!	8/31/2022 10:04 AM
4	I think this design offers elements that are unique and not offered in any other Fairfield park.	8/30/2022 11:14 PM
5	Good overall balance for all.	8/30/2022 6:37 PM
6	It gives most flexibility in ideas of different concepts: amphitheater is a "restful" place (similar to open space and picnic area and rec center in a way") while also being different from every other park in town so it can remain an alternative place to any other park in town. If it has the "same old elementS" why bother building it? We can continue to go to the same old parks. This is an opportunity to expand on what we have and provide options to other needs and lifestyles. This one does that while still being center. Game on is extremely sport centered so many would not enjoy visiting. Organic has elements for more people I think.	8/30/2022 5:37 PM
7	Organic Play would be the most aesthetically pleasing. The area could do with having lots of trees providing shade and blocking wind. Adventure playground will be very popular. Needs a baseball field and a basketball court.	8/30/2022 3:45 PM
8	Love the idea of more soccer fields and Futsal!	8/30/2022 3:28 PM
9	No skatepark, basketball court, pump track, or baseball field as those things are not a good use of space because of their lack of versatility	8/30/2022 2:34 PM
10	Maybe a community garden	8/30/2022 2:31 PM
11	I like Concept #1 & #3 a combo of both. But again, we do not need as many sport fields. Gotta look at SAFETY of dogs & kids & think of bad people stealing kids & dogs with ease of in & out access so close to these areas. Also need shade areas & seating for the spectators. Like the skate & pump track just not sure if it would be SAFE & also bad people driving up on those tracks with their own cars & motorbikes. Also really consider the ROAD it next to! FAST driving cars...unless you are planning to set the entire park back from the road a safe distance, it's not safe...your plans did not show the distance from the road. That's why I said putting the dog park & play area was a bad idea being too close to the road. Why not put the sport fields near the rode. I hope this input does not fall on deaf ears. If COF is spending all this \$ then it should be well thought out with safety of people, dogs & driver's by in mind as well. TY	8/30/2022 2:14 PM
12	This would be something for everyone	8/30/2022 12:12 PM
13	I feel it is a good blend of all the concepts available with out over doing it. I would prefer not to have the pump track. i do think there needs to be to dog parks. One for small and one for large dogs; besides that i think most of the needs of the community will be met.	8/30/2022 11:37 AM
14	Organic play provides fun activities for children and teens! We really need a skate park!!	8/30/2022 10:40 AM
15	It's more Organic as it states. Plus more focused on exploration and personal growth in	8/30/2022 9:49 AM

concept.

16	I really ilke the amphitheater idea. We need more family oriented activities in Fairfield and whichever concept is chosen, I really hope this is added. We can have festivals in this area as well as a creekwalk type experience without having to travel to Vacaville.	8/30/2022 9:06 AM
17	Like I mentioned before, the Game On Concept has more to offer for the community as well as providing back to the city if done right. Our area is in need of a complex like this. some missing elements, must have Lights on soccer fields. this will allow the use for late games. Also if there is some sort of Concessions stand/Food Court this will provide more revenue for the city. need overflow parking, when there are tournaments parking lots can get extremely Full during these soccer events.	8/30/2022 9:06 AM
18	It offers things that Fairfield doesn't have at the moment. This park may give our teen youth a positive place to be.	8/30/2022 9:00 AM
19	It was the only option I saw with baseball fields, which historically do not lead to homeless issues, vandalism or crime and save families with kids in sports or field rental fees! No Dog Park, dog owners habitually fail to pick up after their animals and unleashed/aggressive dogs just increase likelihood of a child or adult getting attacked and then a lawsuit (please avoid putting in a dog park!!!) Open Space/Nature Networks are wonderful but again attract homeless so unless the no camping ordinance is enforced and regular police patrols or park rangers are deployed, then don't bother with this concept.	8/30/2022 8:43 AM
20	IT APPEARS #3 HAS THE BEST LAYOUT, IN MY OPINION. I FEEL IT COULD USE A LITTLE MORE PICNIC AREAS .	8/30/2022 8:40 AM
21	Diversity of recreation/sports activities and keeping nature appeal to an area being overturned with new housing.	8/30/2022 8:36 AM
22	Lots of parking for lots of people, fun for all ages	8/30/2022 8:29 AM
23	Although more sports-oriented facilities are in demand, the organic play concept is unique and not represented (as much) in Fairfield parks.	8/30/2022 8:20 AM
24	brings more new ideas and not the same as other parks.	8/30/2022 8:09 AM
25	I love the integration of play and nature in concept #3. We need more spaces where kids of ranges of ages can play and explore their creative and active selves. This is critical for healthy risk exploration for toddlers through teens. We are lacking spaces like this in Solano County. I could see concerts here and art days in the park.	8/30/2022 8:05 AM
26	This is an amazing park! It has it all and then some! Fun and relaxation! Variety to meet lots of interests. It is the best option.	8/27/2022 4:38 PM
27	Organic Play, a new concept for the city. This concept is throughout the Bay Area and can really enhance the child's play and family play outside. Which is really needed in this time of technology.	8/26/2022 8:57 PM
28	Please see comments above	8/26/2022 11:10 AM
29	I don't think the city has very many (if any) skate parks, pump tracks & amphitheaters, so more of these is what I like! It's modern and encompasses lots of structures for physical activity for everyone.I just need the adventure playground from concept #3 to include a toddler play structure as well.	8/25/2022 8:25 PM
30	Really love the adventure park and pump park - that would be a big draw for many families. We don't have much of these in Fairfield	8/25/2022 5:18 PM
31	I chose it because it has the most nature which people are missing in stressful every day lives. I think it would benefit from adventure playgrounds.	8/20/2022 2:27 PM
32	Concept 2 appears to be the only one with tennis and pickle ball having completely separate playing surfaces! Critical!!!! A must!	8/19/2022 2:19 PM
33	More updated different	8/19/2022 9:05 AM
34	Best use of space. All ages represented. Emphasis is not solely on athletics. Good community space.	8/18/2022 9:19 PM
35	I like the idea of multiple playgrounds	8/18/2022 9:08 PM

36	As stated above it's different. Provides lots of options for play and movement yet includes the performing arts. My concerns are for the disabled and individuals who may want to loiter around and trash the park.	8/18/2022 5:21 PM
37	Why are all these plans so soccer focus? All have multiple soccer fields is that what is needed in the city?	8/18/2022 2:15 PM
38	I like to see more trees, grass, and natural play structures for the children. The parking seems organized with the layout	8/18/2022 1:40 PM
39	I really like how the park is more central and flows better than the other two park concepts. I like that the kids dont have to cross the parking lot to get to one activity to the other. I like that the park has fun activities for just about every one of all age groups. I dont like the location of the dog park and the recreation center, i think they should be swaped. I also think there should be a restroom closer to the pump track and open space area. I like how most of the areas that children will be playing in is set back and not so close to the main road. I like that you can be in one location and be able to watch all of your children that may be using different areas of the park, it seems more safe. I like that there are multiple enties to the parking lot to keep drive through traffic lower.	8/18/2022 10:20 AM
40	The pump track is a new and exciting feature. The adventure/free play/organic play style structure is really needed for todays children/youth.	8/16/2022 9:31 PM
41	I chose number 1 I like the format	8/13/2022 5:50 PM
42	I think the organic play has a lot of variety and would thus be able to meet a lot of people's needs, whether they're kids, teens, adults, and/or parents/caregivers. This also meets different activity level needs—there is room for high activity like sports and skating, more casual areas like the dog park, picnic areas, and open spaces, as well as the endless opportunities the amphitheater could create. As a disabled person, this park seems the most welcoming to me, because there's something here for everyone, and if my partner wanted to play basketball or something, I could come with him and still feel like there are good spaces for me to sit and read or walk or something.	8/13/2022 11:04 AM
43	I like the incorporation of bike, and skate area, and adventure playground. I don't think we have an outdoor amphitheater in FF yet, so that's nice too. However, parking seems limited and toddler playground is missing. Also additional indoor swimming is needed for more swimming classes	8/13/2022 10:54 AM
44	Not as much soccer fields and more tennis courts.	8/12/2022 2:40 PM
45	I love the idea of an adventure playground in town. Also another splash pad is definitely a bonus. More shaded tables/ benches might be a good idea especially near the splash pad for parents.	8/11/2022 5:29 PM
46	Love it! It would be a park for the whole family! Including our dogs!	8/11/2022 4:26 PM
47	I like the set up of the passive play park concept though I wish it had the adventure playground as well as a regular play structure for all ages and abilities and a bigger splash pad area.	8/11/2022 12:24 AM
48	It's all Natural	8/10/2022 2:15 PM
49	Variety of activities for different people. I personally don't skate or bike, but think that's great to have available for those that do	8/9/2022 4:53 PM
50	Some sports should be kept separately. Basketball and tennis are polar opposite personality sports. Skating and dog park are elements for injuries and clashes.	8/9/2022 1:23 PM
51	There are a lot of different activity areas for people of all ages, and it's definitely better than park number three.	8/8/2022 11:15 PM
52	Like the layout and the elements/activities included.	8/8/2022 9:06 PM
53	I love a playground that is unique and may be more inclusive. This park also has a skate park and bike pump track which will appeal to the teens, and anything to get young people off their devices nowadays is valuable. I like the 2 areas of open space. And the amphitheater will serve the community for events and music.	8/8/2022 5:54 PM
54	I like the open space and the variety of activities.	8/8/2022 4:40 PM

Matt Garcia Community Park | City of Fairfield

55	As long as there are tennis courts I'm happy.	8/8/2022 3:01 PM
56	GREAT OPTIONS!	8/7/2022 5:45 PM
57	It's hard to tell which one supports tennis the most, as that is the sport my family plays the most. I would love to see a minimum of 6 tennis courts, with lights even better since work and school gets in the way of weekday play. I do like the adventure playground and pump track in this version too.	8/7/2022 1:57 PM
58	Fairfield has too many unused baseball/softball fields, for that reason #2 should be eliminated. #3 is a little too busy trying to fit too much in, I like Concept # 1 for the simplicity and the open area to be whatever. (Perhaps Frisbee golf?)	8/7/2022 7:02 AM
59	Tennis!!!	8/6/2022 8:18 PM
60	Most of my focus is on the Tennis area and being able to gather and celebrate. Having a seated area that's somewhat shaded and bathrooms nearby.	8/6/2022 2:03 PM
61	tennis courts picnic area	8/5/2022 6:05 PM
62	3. Amphitheater is needed	8/5/2022 1:10 PM
63	I really liked that it has a bit of everything. I love the basketball, amphitheater, splash pad and dog park! All fun things that we need more of here in Fairfield.	8/5/2022 5:36 AM
64	I really liked that it has a bit of everything. I love the basketball, amphitheater, splash pad and dog park! All fun things that we need more of here in Fairfield.	8/4/2022 9:28 PM
65	Organic play is preferred b/c offers more needs to the community. Uncertain about the skate park but if there are no skate parks in that area that people can go skate or walk to in less than 10 minutes keep it. The amphitheater isn't needed but if you add shade there, perhaps it could be a nice outdoor space for meeting or you can expand the recreation center & add more open spaces for people to set up meetings for common interests. Maybe you can staffed hours or unstaffed hours like 24 hour gyms to help make sure people aren't putting too loud music. Though you could set up a dance studio/ exercise room for classes	8/4/2022 8:35 PM
66	Park Concept #2 is covered more sports and needed . if it need to add some adventure feel, it definitely can switch one soccer field to make it.	8/4/2022 8:30 PM
67	Although this is a bit heavy on the soccer fields, I think this is the most versatile of the three plans.	8/4/2022 5:37 PM
68	This is a tough choice as all three concepts seem to be inviting different groups. But id have to go with concept 2 since it has more variety.	8/4/2022 9:06 AM
69	The larger playground structure is why I made my selection. The bigger and more special/unique the playground, the better. One comment about all three: the traffic pattern along the north end of the park creates some concern for public safety. The western portion is far off Vanden and may be a great place to hide late-night illicit behavior.	8/3/2022 10:39 PM
70	We do not need an amplitheater or a skate track. Keep more of the open space/walking trails.	8/3/2022 3:44 PM
71	I think we need to offer community sports activities for all. I like the fields, courts, etc. I think this one is perfect except I would probably take out one-two of the score fields and incorporate the skate and pump ideas if possible. I think activities are more desired that passive open areas.	8/3/2022 1:15 PM
72	#2 This concept makes parking available for all of the activities. Also it has parking close to the picnic areas (very important). Also there needs to be area for bicycle parking.	8/3/2022 11:32 AM
73	See my comments in Concept 3. A fit track would make it a perfect park for my recreational needs.	8/3/2022 9:36 AM
74	I love the Organic Play park concept. The adventure park, skate park, and pump track would draw folks from the entire city. The diverse activities offered seems like it would appeal to a broader audience compared to concept #2.	8/3/2022 9:30 AM
75	Passive Play and Game On are great but the Organic Park concept feels like a fresher, more innovative idea to me. Especially the pump track.	8/3/2022 9:13 AM
76	Prefer #3 because of the nice playground, adventure park, pump track, and open spaces.	8/3/2022 8:31 AM

However, there is too much emphasis on soccer fields in all versions. There is a very small area for tennis and pickleball courts. The amenities are very nice with #3, but there should be a more equitable balance between sports. For example, it looks like having 3 soccer fields (instead of 5) would allow for 1-2 baseball fields and perhaps more open space or other amenities.

77	Adventure playground and pump track! Two elements that we don't have and/or are not common.	8/3/2022 8:07 AM
78	I like the game on plan the most however I wish one of the playgrounds in this design could be the adventure playground from concept 3 as it would be a nice variety to meet the needs of a wide range of children's ages.	8/2/2022 8:06 PM
79	The widespread variety of options will attract more people in our community to be able to come out and enjoy what our own city has to offer as opposed to going to other cities/counties.	8/2/2022 7:06 PM
80	Out of the three options, Park Concept #3 provides the widest variety of amenities/ uses within the park, and also incorporates park components that arent commonly seen in parks throughout the nation. I like the layout of option 3 as well, with the open space closer toward the edges of the park away from the center where there is more activity/noise.	8/2/2022 5:26 PM
81	All the designs are great as long as there are tennis courts separate from pickle ball courts. Designing them together puts too many lines on the court making it difficult to see the lines that apply to each sport. It's confusing.	8/2/2022 5:17 PM
82	Organic Play (Park Concept #3) Creates a destination that this location deserves. If you use #1 or #2 it makes this large brand new space just like any other park. This is a special opportunity to provide something lacking and special by providing the fun and excitement #3 provides. The community needs something more than they already have to get them to travel the distance here. #3 provides for all ages to play, have fun and enjoy the beauty this space has to offer.	8/2/2022 5:07 PM
83	SOMETHING THAT WE DON'T ALREADY HAVE IN OUR FAIRFIELD PARKS	8/2/2022 5:03 PM
84	A larger variety of activities people of all ages can enjoy and participate in.	8/2/2022 4:59 PM
85	Brings new elements to Fairfield with the amphitheater!	8/2/2022 4:38 PM
86	More family friendly Have concerns about the other designs basketball courts and baseball fields not being the best use of space. No skate or bike parks as they present safety hazards and may promote loitering	8/2/2022 4:37 PM
87	I like that tennis and pickleball are separate and specifically the adventure playground for kids. Though hard to tell...would prefer the option that provides the most tennis courts, assuming pickleball lines are not overly bright.	8/2/2022 4:00 PM
88	More sports is good	8/2/2022 3:47 PM
89	Unique and variation of activities	8/2/2022 2:32 PM
90	Passive play concept from only the pictures of the layout feels like each activity is alloted a balanced amount of space for each other. The other 2 concept either heavily focuses on one activity or is trying to do all activities where I feel like there isn't enough space for all of that.	8/2/2022 12:10 PM
91	I like so many sports and activities being available. You need to provide separate large and small dog areas in the dog park.	8/2/2022 11:55 AM
92	I like the pump track and the big adventure playground, but not the skate park and amphitheater. Amphitheaters sound good in concept, but get little use; there are better uses for that land. Need to move the basketball courts away from the playground and picnic areas and add more pickleball.	8/2/2022 11:48 AM
93	I think this concept would appeal to the largest amount of people without feeling overwhelming and sterile like concept # 2.	8/2/2022 11:35 AM
94	Liked the lay out better	8/2/2022 9:34 AM
95	The addition of a skate park and pump track put this FAR ahead of the other three concepts for me. These, along with the more traditional sports fields/courts, offer more options for the users	8/2/2022 9:28 AM

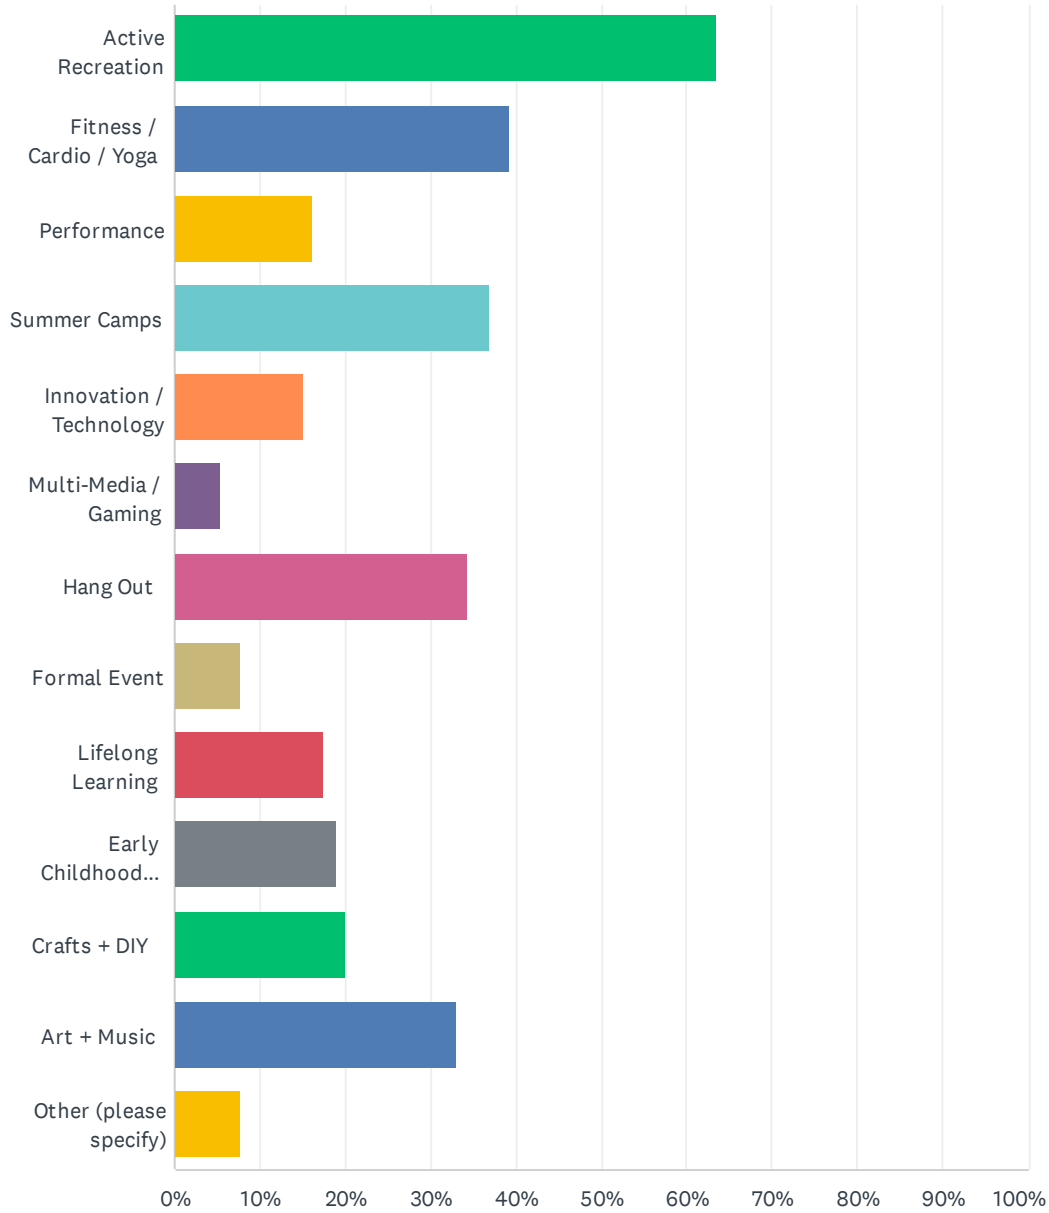

Matt Garcia Community Park | City of Fairfield

of the park. Options that parks all to often forget to consider. Add in the amphitheater for outdoor performance space, this is easily the BEST for everyone.

96	Good access to fields and playgrounds	8/2/2022 9:26 AM
97	Love it	8/2/2022 9:13 AM
98	6 soccer fields are nice and if we need the dog park, it is nice to have the dog park surrounded by parking lot and road. Worried about injuries and influx of rowdy teenagers with skatepark and pump track. Don't think the amphitheater would be utilized much.	8/2/2022 8:57 AM
99	I just want a park that is kid friendly and a place families can go and have fun	8/2/2022 8:29 AM
100	Like the adventure park and pump track, just move parking to the sides. Maintain network of open space and natural areas as well with passive activities (e.g. picnic tables)	8/2/2022 7:51 AM
101	The organic park has a lot of activities that most of our parks don't have, or don't have them put all together. The concept is really amazing for anybody in to different sports and activities.	8/2/2022 3:35 AM
102	Organic park	8/1/2022 9:22 PM
103	Like the new ideas pump track and splash pad	8/1/2022 8:40 PM
104	I like the more diverse mix of sports. i don't like such a large chunk of park land being dedicated to just one sport - that being soccer. they could do with one less field to put in more pickleball courts.	8/1/2022 2:27 PM
105	So many more options in the #3 concept.	8/1/2022 2:23 PM
106	Love the idea of a unique adventure playground that other local parks don't have. Older kids need climbing adventures. Love Splash pad, skate park, open space and Amphitheater. Dislike that there isn't a toddler playground that may be better suited for the younger kids.	8/1/2022 1:51 PM
107	Please keep it simple. Too much going on with the other concepts. Keep dog park away from other busy activities.	8/1/2022 1:46 PM
108	Enough picnic areas and a centrally located dig park. Not too many sports fields.	8/1/2022 1:44 PM
109	Chose the plan with tennis courts nor having multi-use. No serious tennis player would use courts with pickle ball lines on them.	8/1/2022 1:33 PM
110	Modern park concepts for all ages and backgrounds. Pump track should include a bicycle repair station. Amphitheater for local artist to display their musical talents.	8/1/2022 1:20 PM
111	I think it has aspects my family would enjoy the most.	8/1/2022 10:06 AM

Q9 What activities are most important to you? Pick your top three (3) choices.

Q14 Is there anything else you'd like to us to know for the future Matt Garcia Community Park?

Answered: 64 Skipped: 126

#	RESPONSES	DATE
1	Make so that children with severe special needs can play at the playground and splash pads too.	8/31/2022 8:28 PM
2	Please consider input from maintenance workers. They will know the features that will be used and the ones that will be vandalized.	8/31/2022 11:19 AM
3	You guys are awesome for working so hard on this project and soliciting feedback from the community. Can you build a park in the empty space on Manuel Campos between Paradise Valley and Paradise Crest?	8/31/2022 8:01 AM
4	Thank you	8/30/2022 5:37 PM
5	It's windy out there. Plant lots of trees.	8/30/2022 3:45 PM
6	What are you going to do about potential homeless within the park?	8/30/2022 3:29 PM
7	Soccer fields please!	8/30/2022 3:28 PM
8	I believe this will be perfect for our communities and will attract a lot of events as well. Great idea and will be a great legacy for Matt Garcia.	8/30/2022 12:12 PM
9	It's very needed. Along with shade! It's hot here.	8/30/2022 9:49 AM
10	Thank you for creating this. This will be amazing for our city.	8/30/2022 9:06 AM
11	Looking forward to the completion of the Matt Garcia Community Park. Thank you for including us in your surveys.	8/30/2022 9:06 AM
12	Fairfield has an opportunity to give the community a place we can all use!	8/30/2022 9:00 AM
13	It was the only option I saw with baseball fields, which historically do not lead to homeless issues, vandalism or crime and save families with kids in sports or field rental fees! Again... No basketball courts and no skate park they attract nuisance and just end up vandalized or trashed! No Dog Park, dog owners habitually fail to pick up after their animals and unleashed/aggressive dogs just increase likelihood of a child or adult getting attacked and then a lawsuit (please avoid putting in a dog park!!!) Open Space/Nature Networks are wonderful but again attract homeless so unless the no camping ordinance is enforced and regular police patrols or park rangers are deployed, then don't bother with this concept.	8/30/2022 8:43 AM
14	THESE ALL LOOK LIKE WONDERFUL OPTIONS. CAN'T WAIT TO VISIT WHICHEVER IS SELECTED.	8/30/2022 8:40 AM
15	The location is TERRIBLE -- it will have a lot of access from Vacaville residents from the adjacent new development. It will also only be accessible by residents in the affluent area of One Lake and not accessible by any other means than driving--out of the way destination. It will turn into an upper-class park.	8/30/2022 8:20 AM
16	Matt was a dear friend who believed in the spirit of this city. To honor him, the park should be a gathering place for all parts of our vibrant community to come together. Whichever design is selected, community togetherness has to be at the core of the space to ensure Matt's legacy continues.	8/30/2022 8:05 AM
17	Adding a military discount for classes at the recreation center will encourage members of Travis afb to use the facility as well as businesses near the park	8/26/2022 11:10 AM
18	Whichever design you chose, please include restrooms. I would love a park that is fun for all ages for birthday parties, hangouts and get together	8/25/2022 7:28 PM

Matt Garcia Community Park | City of Fairfield

19	Please make sure you contact me too hopefully avoid costly mistakes relative to the tennis and pickle ball addition. The planning stage mistakes are very sad indeed.	8/19/2022 2:19 PM
20	Great ideas	8/19/2022 9:05 AM
21	We need to focus on supporting our youth and promoting the arts/learning for all residents.	8/18/2022 5:21 PM
22	I am just happy to see a happy space for all the new housing and businesses growing in that area.	8/18/2022 1:40 PM
23	Thank you for making a place for the community to enjoy, it's going to be a great park and I look forward to spending time there with my family.	8/18/2022 10:20 AM
24	Please include shade. And 5x more trash cans then you'll think you'll need.	8/16/2022 9:31 PM
25	no	8/13/2022 5:50 PM
26	I would love to see the landscaping in the park be mindful of water retention and use a variety of drought-resistant native plants to create a healthy environment both human and non-human residents. I would also hope to avoid hostile architecture like the high-frequency sound emitting boxes at laurel creek park.	8/13/2022 11:04 AM
27	Parking looks limited in all 3	8/13/2022 10:54 AM
28	None	8/11/2022 4:26 PM
29	Why is it almost in vacaville?	8/11/2022 12:24 AM
30	I love this idea to honor Matt.	8/10/2022 12:56 PM
31	If you are picking concept #3, please remove the amphitheater and the pump park. Not very many people will be able to enjoy the pump park compared to the skate park. The amphitheater most certainly will hardly ever be put to good use and is a waste of space.	8/8/2022 11:15 PM
32	Hopefully there will be good restrooms and also a snack stand or vending machines	8/8/2022 5:54 PM
33	Keep it simple	8/7/2022 7:02 AM
34	need more tennis courts	8/5/2022 6:05 PM
35	Thank you for making it possible	8/5/2022 10:42 AM
36	Plan it well...then MAINTAIN it well.	8/5/2022 6:30 AM
37	You could add a separate room that is only for events related to Matt Garcia values, his future goals, or help the community. Examples could be assorting basic needs bags for homeless or in case (socks, water bottle, 2 healthy snacks, toothbrush, & menstrual pads for women). Maybe a few food drives. Also designate as a place to keep cool or warm for over 90 degrees or extreme cold from 2pm to 9pm. Also a small library where you put 1 book in & take 1. The cycle repeats. These aren't original ideas but might help some adults.	8/4/2022 8:35 PM
38	we need more tennis courts at Fairfield. Currently, most tennis courts and pickleball courts are sharing the same area/courts, city painted the pickleball court lines on top of the tennis court but not provide the pickclebal net which is a pain for both tennis & pickleball players. do you know that One tennis court can convert to three pickleball courts!? No matter what designs you pick, if necessary, please consider to build us tennis courts and pickleball courts separately, example. turn 4 tennis courts to 3 tennis courts with net +3 pickleball courts with net instead of 4 tennis courts plus paint the pickleball courts line on top of the tennis courts without pickeball net provided. thanks.	8/4/2022 8:30 PM
39	Keep it a simple park for families to go and play at. Walking trails would be nice. We do not have many safe walking trails in fairfield right now.	8/3/2022 3:44 PM
40	Thank you for reaching out for ideas.	8/3/2022 1:15 PM
41	Sad that this will be tucked away off in the far corner of town. Hoping the Allan Witt renovation doesn't get tabled for this.	8/3/2022 9:36 AM
42	I would love to see the Matt Garcia park include indoor basketball facilities where travel teams are able to host tournaments to help offset some of the expense, especially for lower income kids that are talented but unable to compete. Hosting tournaments can also bring revenue to the city as hundreds of fans and family members come to the city seeking food and shopping.	8/3/2022 9:13 AM

Matt Garcia Community Park | City of Fairfield

43	There should be a more equitable balance between space/quantity needed for the various sports.	8/3/2022 8:31 AM
44	No	8/2/2022 8:06 PM
45	Please build more than one tennis court. The tennis community in Fairfield is large and we need public places to play.	8/2/2022 5:17 PM
46	No	8/2/2022 5:16 PM
47	Thank you for creating this survey process and for creating such a large and wonderful park! Cheering for #3 to be selected :)	8/2/2022 5:07 PM
48	Avoid amenities that may promote loitering after hours Hours for park should be 30 min before sunrise to 30 min after sunset. Parking lot needs to be equipped with a locking gate. If skate parks, basketball courts, pump tracks are build they need to be surrounded by fences and rims removed during non operating hours	8/2/2022 4:37 PM
49	Please listen to the input	8/2/2022 3:47 PM
50	Thanks!!!	8/2/2022 3:25 PM
51	Matt was a friend of mine and im so happy to see his name live on. He loved Fairfield.	8/2/2022 2:48 PM
52	Please make the parking make sense. I'm originally from the bay area and Solano County residents are horrible in cramp parking lots. They look like deers in headlights, can't angle their cars to fit in, can't even back out of a parking spot, etc.	8/2/2022 12:10 PM
53	It would be nice to have an accessible play area/ sports fields for people with mobility issues	8/2/2022 11:55 AM
54	Make sure that whichever design is chosen includes maintenance/public safety roads that reach all the back areas so that they are not neglected and are blocked off with bollards.	8/2/2022 11:48 AM
55	We can't wait until it is done. There are not a lot of play areas on this side of town. We also want to thank everyone that is working on planning this.	8/2/2022 11:35 AM
56	A statue or plaque of matt garcia maybe telling us a little about him around the park	8/2/2022 11:24 AM
57	Being close to the train station, need to consider deterrents from crime and homeless encampment. Would hate to see this park end up like Allan Witt	8/2/2022 9:26 AM
58	No	8/2/2022 8:57 AM
59	I hope you plant trees	8/2/2022 8:29 AM
60	Different name for park. We had a gym and school respectively named after the late Matt García.	8/1/2022 3:19 PM
61	thank you for working on this. more and better parks really make for a better city	8/1/2022 2:27 PM
62	Thank you for continuing to honor Matt Garcia and for keeping his legacy alive. It's important for people to know who he is.	8/1/2022 1:46 PM
63	Areas for grandkids to play are paramount. The SCTA (Solano County Tennis Association) would love to partner with any tennis plans. See SCTA.tennis.	8/1/2022 1:33 PM
64	Bathrooms as long as they are maintained and cleaned would be wonderful!	8/1/2022 10:06 AM
